Thanks to the generous donation from the Ashtabula Foundation, we are full **S.T.E.A.M.** ahead for the introduction of our new Makerspace area! Join us on Saturday February 17th, 2018 from 11-3pm for a variety of family friendly **Science, Technology, Engineering, Art and Mathematical** fun. We will have something for EVERYONE. From learning about emerging tech to board games and slime. We guarantee that you will have a great time!
